

2010 Australian Orienteering Championships Carnival

The following areas are embargoed to anyone not involved in the organisation and course planning of one of the carnival's events, or (re)mapping of an area, until after the date of the relevant event:

- Para Wirra Recreation Park – all areas east of the road from the park entrance to Devil's Nose, except when attending the club relays on July 25th, 2010. (Attending a picnic in Para Wirra Recreation Park during the embargo is an acceptable activity, but going bushwalking is not. Therefore orienteers are precluded from participating in SARRC trail runs in Para Wirra.)
- Humbug Scrub Sanctuary
- All areas covered by the existing 1990 Mack Creek map, bordered by Humbug Scrub Rd and Bassnet Rd.
- All of the above are embargoed until September 25th/26th.
- The southern end of the existing Vixen Gully map, off Forest Road, to children of high school age, unless remaining on tracks, until September 28th.
- The area within 2km radius of Rocky Paddock campground, Mt Crawford Forest, to children of high school age, unless remaining on tracks, until September 29th.
- The campus of Trinity College Senior, Evanston South (Gawler), unless attending for school or work purposes, until October 1st.
- The area covered by the existing 1993 Gravel Pit map, bordered roughly by Menglers Hill Rd, Tanunda Creek Rd and Rifle Range Rd, including land currently marked out of bounds, until October 2nd.
- The area covered by the existing 1990 Rock Oyster map between Walker Flat and Swan Reach, until October 3rd.
