- Ø The **EP Relays** and the **State Club Relays** were organised by the Corbett and Dempsey families at **Dinosaur Ridge**; Lincoln once again proved too strong and won both trophies.
- Ø **Club t-shirts** displaying the new design (coordinated by the Corbett family) were on sale just in time for the big event at **Wilpena**.
- Ø **The O-Van**, freshly painted, looked pretty racy - courtesy of Adrian Watson.
- Ø The **Jubilee J150 Carnival** was a great success with over 650 competitors running on our **Wilpena Creek** map. Adrian Watson drew up the map based on club fieldwork, a great work of art.
- Ø The final result of the carnival gave Susan Corbett a win in (W13), thus becoming **Australian Champion**.
- Ø John Brockhurst appeared on TV, promoting the club and announcing future plans.

- Ø The AGM was held at **Myola Station** near Iron Baron, where Helen and Geoff invited all to a Bushie. Poor old sheep had to move out of their shed again. I think the AGM was held first, but I can't find anyone who can remember. What I can remember is being presented with a **Life Membership Badge** - under the stars - terrific!!
