

# TINTOOKIES UPDATE

The next edition of the Newsletter is in progress but until then the editors have adopted Jeffa's excellent suggestion to circulate a short update .... so please read on!

**1. Congratulations**

To Joanna George on her selection in the 2019 JWOC team competing in Europe and to Abigail George on her selection in the Bushrangers team to travel to NZ in June 2019 to compete against the NZ Pine Stars

**2. PORT LINCOLN**

Still thinking of going to Pt Lincoln? Need a seat on the bus or accommodation? Please phone Jeffa.

**3. Urgent Helper Shortage**

There is a shortage of helpers for the events for this year. We need more volunteers in order to avoid the same helpers volunteering over and over again and risking burnout. A helper shortage could lead to Tintookies organising less events in the future with declining revenues as a result. An alternative to the helper shortage is to just automatically roster all members as helpers on events. This can cause problems with school/study/work/family commitments and having to find your own replacements so please look at the event calendar and volunteer as a helper for one or more of the upcoming events. Please contact Fi or the event organiser with your availability.

**4. Organiser/Controller shortage**

We are still looking for an organiser for the Para Wirra event on 23 June and Mulga Valley on 18 August and a controller for Rock oyster on 13- 14 July and Mulga Valley on 18 August.

**5. Para Wirra Map Update**

Para Wirra has had some redevelopment particularly with the new Wirra campground which has resulted in some new structures and trails which will require some map updates/corrections.

**6. Bone Seed Pull**

A date of Sunday 11 August 2019 has been proposed to the Para Wirra Rangers but we are still awaiting confirmation. In the meantime please try and keep the date free!

**7. DYO Map - Carisbook Park course**

Not all markers are still intact. Are any members available to check this course?

**8. Tintookies tops**

Our designers are working on this. Hopefully designs can be circulated soon.

**9. SAVE THE DATE - Club Relays 20 October 2019**

Ask your friends as well!

**10. NEXT MEETING TUESDAY 23 July 2019**
