

Vol. 1 2012

Hi and happy new year to you all. I hope you all had a wonderful Christmas with your family and friends and you were able to have a relaxing holiday break, if only for a few days.

The Tjuringa AGM was conducted in early December and all positions were filled except for the MTBO rep. Congratulations to our new president, Tyson Hillyard and a big thank you goes to Rob Hillyard for his many years of service in leading the club as its president. Below is the committee for 2012 with contact details if ever you need to have a chat.

A date for your diary

TRAINING EVENT

Our first training event is to be held on Saturday 4th March and Sunday 5th March at Normanville. Ann Nolan our social secretary is coordinating the happy hour for Saturday night. Also contact Ann (phone no. on page 1) for information and booking accommodation for the Saturday night. Ann has booked 5 unpowered sites at the Jetty Caravan Park, Normanville for one night, Saturday 3 March. The cost per site is \$22.50 for 2, and \$9 per extra person per site. Adrian Craig is organising the training side of the weekend and we will probably need to travel a short distance to a map on the Sunday to have a run.

MEMBERSHIP

So far Tjuringa have two members for 2012, John Williams (a life member) and Harry Waterhouse who joined in December. We didn't see much of Harry in 2011 but hopefully he may come out for a run more often in 2012. John isn't running around much at the moment as he is having treatment but we all wish him well and look forward to seeing him at an event. Look out for the membership form and join early in 2012.

HELPING OUT AT AN EVENT

The committee have voted that if a member of Tjuringa helps out at an event they can have a free run on the day provided we have enough helpers to go around and not threaten the smooth running of the event. So, come out and offer to help at any Tj event and have a free run.

TJURINGA CONSTITUTION

The 2012 committee is looking to make a few changes to the constitution and discussions have been happening at the 2011 committee meetings, at the AGM with the members who attended and now the 2012 committee to modify this important document to reflect the size of the club membership and what is required / needed if the club can no longer function because of its size. Early in 2012 you will be asked to vote on the changes by way of attending a special meeting or voting by email to amend the document. Notification of the date and the changes will be given to all 2012 members 2 to 4 weeks in advance of the meeting which will probably be held at another club's event on a Sunday.

FACEBOOK

A facebook page has been set up in the name of Tjuringa Orienteers by Tyson Hillyard but it is still in its developmental stage. This could be a fantastic avenue for our members to chat, put up an article, or to share photos etc. This could also take the place of the newsletter with a bulletin / newsletter section which could be read by any of our members or future members. The committee understands that there are a few members who do not use facebook or a computer, that is understandable, and we will work with them in getting Tj news out to them via other means. Take a look!! Copy and paste the link below into your search engine. What do you think? Let me have your comments.
