Meetings are held bi-monthly usually taking about 2 hours.

Some Tj members have served more than 10 years on the committee, are retired and tired (and want to go on extended holidays) therefore, now is the time for younger members of the club to step up.

School Relay Championship 2013 Meredith Norman, Westbourne Park Primary School

On the 20th of September was the schools relay championships. It was held around the River Torrens at Athelstone. Our team consisted of Erica, Emma and myself. Erica and I had done several orienteering events but Emma was new to the sport.

On the way to the event we were listening to some motivational music (hoping that would help us). Before we knew it Jeffa was calling everyone over for a briefing about what was going to be happening. I was the first runner so I had to handle the start (which was very nerve racking!). The count down from two minutes began and then I was off!

The course for me involved running up steep roads and tracks. I ran the whole way. After punching the last control I sprinted to where Emma was standing and tagged her. Emma took off and we waited patiently to see her emerge from the bushes. Emma did extremely well to complete the course by herself in a good time.

Erica ran off only to stop to try and orientate her map. Metres behind were another team. Erica then bolted up the hill and we anxiously waited to see who would be dashing to the finish first. In just over twenty minutes Erica appeared and we all started cheering her over the finish line. We waited until the official results were posted and then each celebrated with a python!

A big thank you goes to Fulvio Pastrello for updating the Tjuringa website. At the moment we have a newsletter folder, an events folder, a photos folder and after the AGM a committee folder. If you have an article or photos to share send them to the Tjuringa newsletter editor and they will then be sent on to Fulvio. Don't forget Tjuringa also has a facebook page (see the addresses on page 2).

Don't forget the Orienteering South Australia presentation night to be held on Friday 22nd November at the Athelstone Community Hall. Bring a plate of food to share.

Congratulations go to the Tjuringa members who came first at the Mountain Bike Orienteering Championships: Lee Merchant, Sue Merchant, Paul Hoopmann, Anthea Williams and past member Karl Hillyard.
