2013 ANNUAL GENERAL MEETING AND PICNIC

Our annual general meeting was held on Sunday 1st December with about 20 members attending. Thanks to Greg and Fiona for bringing the tents, barbecues and chicken platter and to the Bevelander Family for buying the sausages and steaks and Paul helping Greg to cook the meat. We had plenty of food to eat, everyone either supplying a dessert or a salad. It rained several times during the day but we all managed to squeeze in under the tents and we were the last group to leave the park. It was a great social event to finish off the orienteering year. As outgoing president, Greg presented a report summarising the Tjuringa year. If you would like to read it go to our website at <http://www.sa.orienteering.asn.au/clubs/tjuringa/>.

Past and present presidents – Greg and Trevor Morcom.

A JOB WELL DONE

The 2014 committee would like to sincerely thank Phil and Janet Davill for all the attention and care they have given to garaging and managing the Tjuringa trailer for many, many, many years.

This is an onerous task but Phil has been very generous with his time in towing the trailer to events, unpacking, packing, replacing and repairing equipment and drying wet tents, flags and other gear.

It is now time for the Tjuringa trailer to move to new premises and the 2014 committee is looking for a member to store the trailer and to manage the Tjuringa equipment. This will be done with the support of the committee when necessary eg, towing, packing, unpacking etc.

Is anyone interested in supporting the club?

Welcome to Cooper Nohlmans as a new member of Tjuringa registered as a family member with Paul Hoopmann (grandfather).

Our Christies Creek map is being used this year at a Summer Series event to be held on Friday night 24th January.

The signs to the event are from the corner of Gulfview Road and Galloway Road, Christies Beach.

The organiser is Chris Franklin, course planners and vetters are Meredith Norman and Paul Hoopmann and helpers are Angus Mills, Jan Hillyard and Desmond Norman.

If you haven't had a run on this map, come along and enjoy a picnic in the park after the event and watch the sun set.

The SECOND wedding of the year (if you don't have facebook)

Tyson and Fern were married on Saturday 23rd Nov at Belair National Park.
 Congratulations
