

## The Tjuringan Star

Vol. 3 2013

### WE HAVE A PRESIDENT!!

Thanks goes to Greg Morcom for stepping up to be president of Tjuringa Orienteer Inc for the remainder of 2013.

Perhaps if he finds the position not too arduous he might nominate again in 2014.

**RELAY CHAMPS.** Is anyone willing to coordinate the Tj relay teams for this year? I am away, as is Ann Nolan (who has done this job so well the last few years). Is anyone running this year, I haven't heard from any member as yet who want to make up a team??!!

**The SA Night Championships held at Briglen on Saturday 18<sup>th</sup> May were an outstanding success. Lee Merchant and his support crew did a great job course setting and organising a great fire for socialising after the event. Lee's disco in the bush was enjoyed by all who competed, a lot of fun, receiving a lot of compliments.**

**Also a job well done by Adrian Craig at the Mt Crawford event, thanks Adrian. Even though it was a grey day in Adelaide, the weather in the forest turned out fine and we had 64 entries with 74 participants. Thanks to all the Tj members who helped on the day to make this another successful event.**
