## Tj Ogies

Several years ago at the Tj AGM's we presented Tj Ogies to our club members if they had done something exceptional or funny or . . . . . The committee would like to bring back this old custom at the 2014 AGM, so if you see or hear of a club member who has done something worthy of a Tj Ogie let Jan Hillyard know. Jan already has one ready to present.

## TJ TRAINING WEEKEND - SATURDAY 1<sup>ST</sup> MARCH AND SUNDAY 2<sup>ND</sup> MARCH 2014.

Come and enjoy a relaxing and social weekend at Normanville. The committee is looking forward to seeing our members at the Saturday training day to be held at Normanville Caravan Park. Training will commence from 3.00 pm. There will be a foot O training session and hopefully a computer S.I. training session as well. Don't forget if you want to book a cabin, be quick in making a booking as there are not many left. The contact number for the caravan park is 8558 2038.

There are plenty of wineries in the Normanville area if you are interested in wine tasting and a very beautiful beach for bathing or strolling along just walking distance from the caravan park. Some members are camping/staying on Friday night as well.

The committee has plenty of bbq meat left over from the AGM (frozen of course) therefore you only need to bring a salad or dessert to share for the Saturday night meal. BYO all your other meals (breakfasts, lunches, drinks etc) and maybe something to add to a combined happy hour before Saturday's bbq.

The Sunday training session is to be held on the Eucalypt map from 10.00 am with a training exercise and then a search and rescue exercise.

Please reply by email to Jan Hillyard whether you can or cannot attend ([hillyard@senet.com.au](mailto:hillyard@senet.com.au))

Our Christies Creek map was used at a Summer Series event held on Friday night 24<sup>th</sup> January.

Numbers were a little lower than expected but the weather was great and all the competitors enjoyed the courses.

The organiser was Chris Franklin, course planners and veters were Meredith Norman and Paul Hoopmann and helpers were Angus Mills, Jan Hillyard and Desmond Norman.
