

The Tjuringan Star

Vol. 2. . . April 2014

At the last Tjuringa committee meeting it was agreed to promote club BBQ lunches after Sunday events (not ours) for our members. It was decided the Lady Alice event would be great for our first social bbq. Sausages will be supplied by the club but members are to supply whatever else they would like to go with the bbq (plates, utensils, bread, salad). Marc Turner, the Tjuringa treasurer, is to buy a BBQ and gas bottle from club funds and this will be brought to events not coordinated by the club to enable Tjuringa members to socialise and get to know one another. The first social bbq will be held on Sunday 18th May at the Lady Alice event from about 12.00 onwards.

Tjuringa Events. *The next Tj event is to be held on Sunday 25th May in Kuitpo Forest with course planning by Des Norman supported by Adrian Craig. Don't forget many hands make light work so come along and support the club to make this an enjoyable Tj event for all orienteers.*

Our second event for the year is to be held in the Flinders Ranges at Rawnsley Park. This event is an Orienteer of the Year and Badge event with courses planned by Marc Turner on the Sunday of the June long weekend, 8th June. There is plenty of formal and bush camping at Rawnsley Park so book early if you are coming up, which of course you are as it is a Tj event and we will need lots of help on the day to coordinate this event (site set up, registration, computers, starters, control pickup and site pull down). Don't forget to bring something to contribute to a joint Tjuringa happy hour on the Sunday night after our event.

Both these events are now listed on Eventor for pre entry. The Rawnsley event in June will need pre entry and payment through Eventor. The Rawnsley event is one of three to be conducted during the June long weekend.

Tj Ogies

Several years ago at the Tj Annual General Meetings we presented Tj Ogies to our club members if they had done something exceptional or funny or The committee would like to bring back this old traditon at the 2014 AGM, so if you see or hear of a club member who has done something worthy of a Tj Ogie let Jan Hillyard know. Jan already has three Tj Ogies ready to present.

Attached is the title page of the latest version of the Policies & Guidelines document. This page has active links to the actual contents on the Orienteering SA and OA web sites. Tjuringa memberships - We have 14 memberships comprising 36 members. Our memberships are down from last year, so if you haven't joined for 2015 **DO IT NOW!**

EASTER 2014

5 Tj members competed in the recent Easter 2014 carnival held near Lithgow.

Greg Morcom, M40A - 7th overall

Chris Franklin, W60A - 19th overall

Paul Hoopmann, M65A - 6th overall

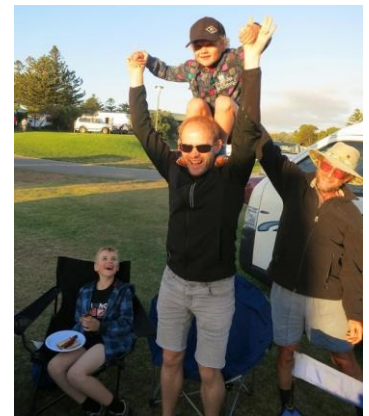

Aylwin Lim, M45054AS - 12th overall

Sarah Lim, W14A - 8th overall.

CONGRATULATIONS

go to our members who travelled a long, long way to compete in this carnival. There were 1101 orienteers entered. I wonder if South Australia will get that many entries for our Easter 2015 carnival?

The training weekend held on the 1st and 2nd March had 13 financial members attend and 5 past members. Greg Morcom set a course in the caravan park and surrounds of the park with Daniel and Mitchell supporting him to put out the tags for the course. It was a very windy weekend in Normanville but we were able to use the bbq area for shelter and cooking. Thanks Greg for bringing the meat and Phil Stoeckel and Greg for cooking. Lee and Sue supplied us with an entrée of squid which is always very tasty (thanks Lee and Sue).

**TJ TRAINING WEEKEND -
SATURDAY 1ST MARCH
AND SUNDAY 2ND MARCH
2014.**

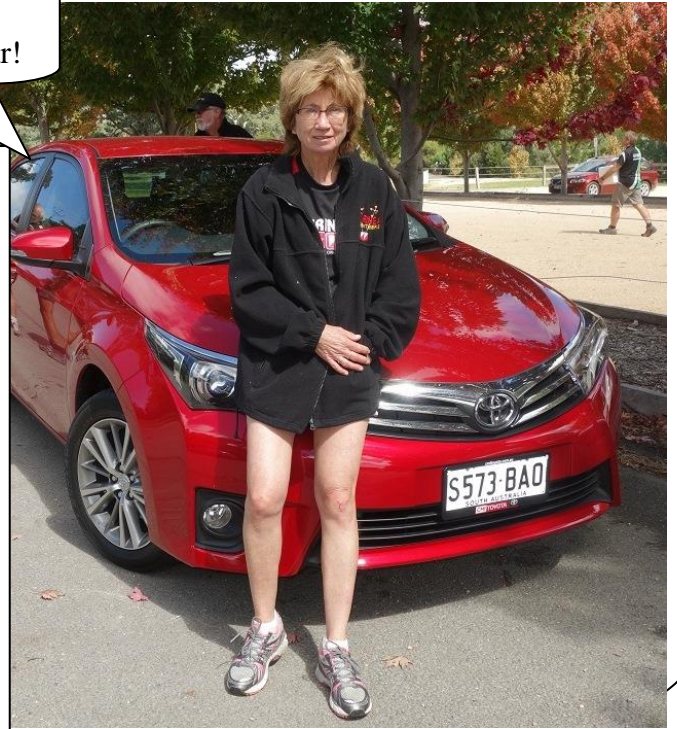

CONGRATULATIONS

to Troy and Andrea Merchant on the birth of Clara Elise. Lee and Sue are very proud grandparents.

Who is test sleeping in Paul Hoopmann's new camper van?

Chris Franklin is the proud owner of a new car!

Chris Franklin and Jan Hillyard followed up the SI unit computer training that Tyson Hillyard conducted at the Tj training weekend. Thanks to Ken Thompson for giving his time to answer questions and teach Chris and Jan a few more "ins and outs" of the computer system. To practice their training Chris and Jan attended a Wednesday event which gave them insight into how much they had learnt and how much more they needed to know to successfully run the SI program at a Tj event.

Memories

Tjuringa's 20?? synchronised swimming team.
