Weekend in Paradise

The Tjuringa Orienteering Club organized the South Australian Long Distance Championships. It was a successful event which ran smoothly due to the help of many Tjuringans. Congratulations to Troy Merchant, Jan Hillyard, Toby Cazzolato, Mitchell Morcom, Brodie Aplin, Doug Johnston and Clara Merchant who came 1st in their respective categories. See photos below of Tjuringans competing as well as relaxing in some of the water holes at Paradise!

MEET TJURINGA'S NEW MEMBERS

See below some information about Tjuringa's newest members. We welcome them warmly to the Tjuringa Orienteering Family and hope to see them out orienteering!

Shilah Francis-Sonsiri. Also student at Goodwood PS. Has been to several events with her mum, Elise. Took part in the School Champs, where she did well to place 6th out of 17 participants in her age group.

Draper family. Paul and Madeline, whose children Giselle and Owen go to Col. Light Gardens. They seem to thrive in wintry conditions. Braved the rain and hail to attend event at Wirra Wirra and were also at gusty and wet Mt Barker!

Horan family. Bronson and Ilona, with their boys Eamonn, Finlay and Liam, who are at Goodwood PS. Came to TJ camp and were also at World's End. Bronson is the new interim State President of the RSL in SA, and we wish him all the best, as he attempts to secure the financial future of this revered organisation, so that it continues to provide the critical welfare, advocacy and commemorative support that our returned service personnel need. Andrew Wilson. Teacher at Blackfriars Priory School. Organised 3-day orienteering camp with his Outdoor Ed students at Kuitpo in May. Andrew came to TJ camp in July with girlfriend Kate. Andrew in green jacket.

Brodie Aplin. Is a keen rogainer who took up orienteering earlier this year, but has been to many events since. Studying Surveying at TAFE and lives in Happy Valley, just down the road from the Hillyards.

Rohan Jackson. A Year 11 student at Pembroke. A very fast sprinter who will be representing SA at the National SchoolChamps in Bathurst next week.

National Orienteering League Races

Over the June Long Weekend Toby, Paul, Aylwin, Sarah and Meredith travelled to Wagga Wagga to compete in the Australian 3 Days. The competition consisted of two bush events through rocky terrain, and then a sprint event around Charles Sturt University. Overall Paul Hoopmann came 3rd (M65A), Meredith Norman 9th (W20E), Sarah Lim 10th (W20E). See photos below of some TJ's competing.

On the 26th and 27th of August Meredith Norman and Sarah Lim participated in two NOL races in Canberra. The first day was the Ultralong event which was 9.1km through extremely steep and rocky terrain. The second event was a bush sprint around a complex arrangement of erosion gullies, marshes, creeks and included three map changes. Meredith and Sarah came 4th and 5th respectively in W20E. See photos below.

THANKYOU STEFANO!!!!

The Tjuringa Orienteering Club is so grateful for all orienteering scholar Stefano Raus did for our club. As well as doing extensive mapping and organizing our clubs orienteering camp, he conducted many orienteering training sessions which Tjuringans certainly attended. See photos below of Tjuringans at trainings from March until he left. He will always be an honorary Tjuringan from afar.
