

# Learn to Orienteer – free program for communities on the Southern Yorke Peninsula

Organised by Orienteering SA, our new Learn To Orienteer program is for anyone who wants to learn this fun navigation adventure sport. All ages are welcome and no special equipment is required.

Lessons are conducted in small groups by volunteer coaches. We will focus on different skills in each session and give participants plenty of opportunities to have fun exploring techniques to build confidence in using a map to navigate around an orienteering course.

**What:** 4 Learn To Orienteer sessions with practice sessions in between.

**Cost:** Free of charge – coaching materials provided by Orienteering Australia

**When:** Sundays 10 AM-12 noon, starting 4 August, **final session on 27 Oct at Maitland Lutheran College.**

**Rules:** Participants must register with Orienteering SA for safety reasons. Each participant under the age of 18 must have a parent/guardian present. Followed by School Relays & Sprint Championships.

Southern Yorke Peninsula LEARN TO ORIENTEER PROGRAM
