

BriGlen YA Short O Champs - Overall results

Mon. 10 June 2002

Around 130 competitors came to try out in the Mallee-spur-Gully terrain of Briglen.

The event was based on completing the two legs, with the second leg as a mass start. This was the first time the Sport-Ident software was used for a multi-leg event.

Despite some teething troubles and unfamiliarity by the organisers, the event ran relatively well. Most competitors commented favorably on the challenges on offer in the short-course format.

Thanks to all Yalangers who helped on the day, with special thanks to Phil Davill who translated the event entries into a database, trialled the software, and helped in the tent.

Course Setter : *Gerry Velaitis* Vetter : *Peter Mayer* Organiser : *Christine O'Keefe*
