

Twigham 5 September 2004

Nearly 200 competitors came to try the classic spur-gully mallee terrain on Yalanga's new Twigham map. Conditions were perfect, and the event generally ran well, with the exception of a single SI unit failure during competition time, which affected the junior course and caused some confusion.

The Twigham map was the last and probably finest map produced by Yalanga member Irena Palmer, shortly before Irena and Dexter relocated to Victoria. Dexter and Irena were tragically killed in a road accident on 28th March this year. In memory of their significant contributions to Orienteering in both regions, the "Palmer Memorial SA-Vic Challenge Trophy" was inaugurated at the SA Championships awards ceremony. SA teams won the trophy by a 3-2 margin.

Thanks to all Yalangans who contributed to a smooth and trouble-free event, particularly Organiser Daryl Crebbin, Course Setter Peter Mayer, Event Secretaries Pat and Ken Fisher, and Sport Ident Gerry Velaitis. Special thanks also to Event Controller Rob Hillyard of Tjuringa, whose help and advice kept everything on track in planning and running the event.
